6TH ANNUAL
TREAT Live 2020

TransRadial Endovascular Advanced Therapies

Tuesday, October 6, 2020
9am EDT | 8am CDT | 6am PDT

Live Webcast Featuring Interactive Live Cases

Course Directors
Aaron M. Fischman, MD, FSIR, FCIRSE
Associate Professor of Diagnostic, Molecular and Interventional Radiology and Surgery
Rahul S. Patel, MD, FSIR
Assistant Diagnostic, Molecular and Interventional Radiology and Surgery
Reade De Leacy, MD
Assistant Professor of Neurosurgery and Radiology

#TREAT2020

Sponsored by
Departments of Surgery and Radiology
Icahn School of Medicine at Mount Sinai
Mount Sinai Health System
OVERVIEW
The purpose of this internet live course will be to educate healthcare providers who care for patients with vascular lesions, highlighting important developments in the management and treatment of these patients using a transradial arterial access approach. Participants will understand, and when appropriate, integrate these developments into their clinical practices.

The TREAT internet live webcast will offer live cases and case management discussions with a panel of expert international faculty. Concepts regarding patient selection, best technical approaches, potential pitfalls and equipment selection will be reviewed.

OBJECTIVES
After completion of this course, you will be able to:
• Compare and contrast equipment and procedural techniques for performing transradial vs. transfemoral endovascular therapies.
• Demonstrate the role of transradial access for complex embolotherapy and review the techniques necessary for successful therapy.
• Review the role of transradial access for visceral interventions.
• Recognize the challenges and pitfalls associated with transradial interventions.

TARGET AUDIENCE
Interventional Radiologists, Vascular Surgeons, Physician Extenders, and other allied health professionals involved in the care of patients undergoing endovascular procedures.

ACCREDITATION STATEMENT
The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION
The Icahn School of Medicine at Mount Sinai designates this live educational activity for a maximum of 3.50 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CONFERENCE INFORMATION
Please call the Office of CME 212.731.7950 or email cme@mssm.edu

REGISTRATION FEES
Fee includes one access code per person to the live webcast, virtual session. You will receive a confirmation email with your log-in instructions.

*Medical Students........*see below
Early-bird discount is available until September 30, 2020.

*Medical Students must register by September 30, 2020 and email cme@mssm.edu with a copy of their hospital ID to receive a Complimentary Online Registration Code.

CANCELLATION POLICY
All refund and cancellation requests must be emailed to the CME office at cme@mssm.edu by September 28, 2020. Cancellations after this date are not eligible for a refund. An administrative fee of $50 will be deducted from your refund. No refunds will be issued for registration fees that are equal or less than $50. For security purposes, credit card payment cannot be accepted by mail or fax. Please visit https://mssm.cloud-cme.com to register and pay by credit card.

SPECIAL NEEDS
The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you require any special accommodations, please contact The Page and William Black Post-Graduate School at 212.731.7950.
PROGRAM ■ TUESDAY, OCTOBER 6, 2020

Duration Time: 3 ½ hours

LIVE CASES: INTERNET LIVE COURSE

**COMPLEX PELVIC INTERVENTION**

*Moderator: Aaron M. Fischman, MD, FSIR, FCIRSE*

Deep pelvic embolization including aneurysms, prostate, and uterine artery embolizations and iliac artery interventions.

**MEDIA/HARDWARE**

TREAT internet live cases, tools and technical assistance are designed to be fully compatible through multiple platforms: computer, tablet, smartphone. Full HD video is available for connection over 4mb download speed, also available on the JiggleMed.

**COPYRIGHT**

All rights reserved by the Icahn School of Medicine at Mount Sinai. No part of this activity may be used or reproduced in any manner whatsoever without written permission.

**COURSE MEDIA & INSTRUCTIONS FOR OBTAINING CONTINUING EDUCATION CREDITS**

This activity is comprised of interactive learning components, video and audio. The learner will be expected to complete various interactive processes such as Q & A. To successfully earn credit, participants must watch the live streaming, engage in live assessment, complete the course evaluation and claim credit commensurate with the number of hours of participation in this activity.

**ACKNOWLEDGMENT**

This activity is made possible in part by educational grants from:

*Boston Scientific, Cardiovascular Systems (CSI), Sirtex, Medtronic, Penumbra Inc., with more to come*
